Hope Works: A Celebration of 50 Years of Saving Lives and Creating Change

In 2024, Peaceful Paths celebrates fifty years of fostering hope within our community. Help us commemorate this milestone through *Hope Works: A Celebration of 50 Years of Saving Lives and Creating Change* presented by the **Women's Giving Circle of North Central Florida**. This unique exhibition will feature work from local artists, collectors, and survivors. By exploring the intersection of art and hope, we aim to inspire the community to help raise \$150,000 for Peaceful Paths' investment in *Hope Happens Here*.

Hope Happens Here has been the guiding principle of Peaceful Paths for decades, instilling hope with our comprehensive support programs. For fifty years, we've infused our community with hope, saving lives and driving positive change. *Hope Works* will provide a link to the future for survivors and their families seeking a new beginning. Your investment in this campaign protects critical services in housing, transportation, child and medical care, employment training, and basic needs. This is a chance to be part of a proven solution for the future of our community.

Throughout this showcase, a *Tree of Hope* mural will be painted in our Outreach lobby by a local artist, permanently featuring the donors and sponsors of *Hope Works*. We will also host private tours and community gatherings upon request. Your support will inspire a foundation of hope in our community.

Hope Works: A Celebration of 50 Years of Saving Lives and Creating Change opens **April 5th and runs through May 5, 2024**. At the end of the exhibit, we will unveil our *Tree of Hope* mural!

If you'd like to be part of our 50th Anniversary Celebration and sponsor a leaf on our Tree of Hope, please fill out the sponsor pledge form in the back of this packet or save a step and scan the QR code and purchase your leaf today! Our hope is to unveil a tree full of leaves on May 5th on the closing night of our Hope Works Exhibit.
