

HUB International Helps Peaceful Paths Support Survivors of Domestic Violence

***Westfield's Legacy of Caring Program Partners with Westfield Insurance Agencies to
Support Dozens of Nonprofits Across the Country***

Gainesville, Florida-- Westfield has teamed up with HUB International to donate \$7,500 to Peaceful Paths as part of Westfield's Legacy of Caring program. Each year, Westfield's top independent insurance agents are invited to nominate a local nonprofit in their community to receive a donation. Donations are made to dozens of nonprofits in cities across Westfield's national footprint.

The Westfield Insurance Foundation, an independent private foundation endowed by Westfield, awards the donations to support their top agents' local communities. Since 2015, the Legacy of Caring program supports nonprofits focused on helping families or businesses stabilize or recover from disasters – mirroring what the insurance industry does every day for their customers.

"As Westfield enters our 178th year, we achieved this longevity by generations of employees and agents working together, committed to preserving and propelling our communities forward," said Ed Largent, Westfield president, CEO, board chair and Westfield Insurance Foundation chairman. "Westfield continues to build on the strong commitment of caring that the founders of our company imagined. It's a great feeling to link arms with our agents and make an impact."

"Westfield is a great insurance carrier partner of ours and I've been a supporter of the Peaceful Paths mission and a huge fan of their dedicated team for many years. We are exceptionally grateful to Westfield for accepting our nomination of Peaceful Paths to receive this award", said Brian Scarborough, Regional Sales Officer for HUB International.

"We are so grateful for the generous support to Peaceful Paths", said Crystal Sorrow, Chief Executive Officer. "The Legacy of Caring grant will directly impact survivors, offering support for short-term goals that lead to long-term results."

At Westfield, it's about more than writing insurance policies, it's about going above and beyond to help communities thrive and prosper. Offering support that reflects these values is at the core of the Westfield Insurance Foundation. Westfield is proud to partner with independent agents through the Legacy of Caring program.

HUB International in Gainesville, formerly Scarborough Insurance, has been a local insurance agency in Gainesville since 1961 and values giving back to our local community. In addition to encouraging staff to volunteer their time in the community, the office closes one day each year for "HUB Gives" where the entire staff volunteers the day at a local non-profit organization.
