Peaceful Paths Receives Matching Funds as Part of Amazing Give 2023

Subaru of Gainesville Shows the Love Locally

#dosomethingamazing

GAINESVILLE- Subaru of Gainesville is doing something AMAZING for survivors! Peaceful Paths is excited to announce that Subaru of Gainesville will be awarding \$25,000 in operations funding as match to the Building Places & Safe Spaces Amazing Give Campaign for 2023. They challenge the community to Show the Love and help us reach our 25K goal by pledging another 25K matching donation beginning immediately and ending at 8 pm on April 20th. Chris Baynard of Subaru will be awarding the check at the Ribbon Cutting Ceremony for the grand reopening on Thursday April 20 at 11:30. Take a tour of the reorganized space and learn more about our Mission in Action saving lives and creating change. In the coming months, Peaceful Paths will continue our commitment to survivor safety and support with additional space renovation and expansion. At the Dutton Schilling Housing Campus, we plan to build a covered walkway to give parents and kids coming home to shelter better protection from the elements. The dogs who come with the families on Campus need a bigger run area outside and this is a major wishlist item. At the Outreach office, our unified entrance space is complete, but needs some finishing touches, including a sponsor for the reception desk center that will allow us to serve everyone efficiently, and new furniture for the waiting area. Our goal of \$25,000 can complete these projects and will make the Campus and Outreach safer and more accessible.
